Winter 2018

Greetings, members and friends of CCHS!

We are busy with many projects at the Historical Society. Here are some updates on our activities. If you would like to get involved, please contact President Debbie Lane at [775-841-4456](tel:775-841-4456) or Debbie.Lane102@yahoo.com

April 22 Special Event: The plans for our **Earth Day Garden Festival on April 22, 2018** are progressing well. There will be lots of fun activities including vendors, displays, art projects, food and a **Basket Raffle** which is a fundraiser for CCHS. With a goal of 20+ baskets, **we need your help** to have a successful raffle! Please consider contributing items for one or more baskets where you choose a theme (garden, cooking, pets, books, bath items, coffee/tea, coloring books/pencils, wine, or other creative idea you might have) and provide just the items to go into a basket. The Basket Raffle Committee will provide a basket, and even wrap and tag it for you. What could be easier?! Basket content needs to be delivered to Jean Cartier as soon as possible or no later than **April 1**. She can be reached at <mailto:JeanC1043@msn.com> or by phone [775- 301-6522](tel:775-301-6522).

Volunteers needed: Soon we will be starting an inventory of our Collection and welcome volunteers who could help with this project. Although we will eventually computerize this process, it will initially be a manual recording to update our records since the arson fires in 2016. Please contact Debbie Lane if you are interested in helping with this project or want more information.
