September 2015

Dear Members and Friends:

Welcome to Fall! The Parks Department has been raking leaves galore at the Foreman-Roberts Park. Once a week, a pickup truck bedful is taken away. And, now, the rest of the news...

## **TEA**

October 11 is the date of the last 2015 Tea. It's at the Foreman-Roberts House from 2 to 4 pm. We have a new caterer, "A Catered Affaire", owned by John Hurzel, whom many of you know. Please call DD Spencer, 775-741-7897 to make your reservation. The price is \$30 of which \$15 goes toward completing the Carriage House. Teas are open to men and women.

## **PROGRESS!**

Earlier this month the picket fence was repaired. Our sincere thanks to the CC parks Department for remedying this eyesore. To date, there have been NO damages. The repair certainly makes the site more inviting. Thank you, PARKS!!

## **JANET PERRY**

It is with great sadness that we report the passing of Jan Perry. She joined our Historical Society when she moved to Carson City some 20 years ago. Jan accepted the position of Vice President over 15 years ago and was quite active in planning our social events.

Jan was an active, energetic woman. Along with her participation in all the Historical Society events, she was part of the Tea Ladies who presented Teas at the Foreman-Roberts House some years ago; she played an important role in her PEO Chapter raising funds for women's scholarships; and was involved with the Mark Twain Garden Club, the Presbyterian Church, and other groups.

At this time, no public services have been announced. Jan will be tremendously missed by all who knew her.

### **PRISON TOUR**

To date only three people have shown interest in touring the closed NV State Prison. It costs \$10 per person with a minimum of 15 people required for a Tour. Call Paula at 775-887-8865 if you want to be included.

### **DISSOLUTION OF MERGER PROCESS**

The Foundation for the Betterment of CC Parks and Recreation has been quite busy! A new name, a new set of Officers and Board, new By-Laws, their own 501.c3, and they are now awaiting for their funds from the Historical Society which amounts to slightly over \$2,500.

### **CARRIAGE HOUSE**

~~A meeting was held with representatives of the stakeholders plus a contractor to develop a~~  
punch list of items that need to be finalized so that a Certificate of Occupancy (COO) can be issued. Once we have the COO, we can use the building. A rough but fairly accurate budget has been formulated. A plan of action is being developed and finishing should begin within a couple of weeks.

Sincerely,

Gary Cain, President  
Carson City Historical Society
