NEW OFFICERS, NEW YEAR
SAVE ADELE'S, YOU CAN HELP

From the *Carson Daily Appeal*, May 18, 1874: "A dwelling is being built by Captain Porter of the V & T workshops. Fronts on Carson St., of moderate size, but will be a handsome house. Has a French or Mansard roof—the first of its kind in Carson. Will be a decided ornament to the north and should like to see more of the same kind going up."

The Carson City Historical Society would like to extend a great big "Thank You" to everyone who has contributed to the #SaveAdeles fund. To date the contributions total close to \$7,000 with more on the way. Please help preserve the almost 150 year old Adele's building currently located at 1112 North Carson Street, Carson City, Nevada. Much of Carson's history has been destroyed over the years. Preservation of what is left of our history, our history of Nevada and Carson City for future generations is in jeopardy.
